### What's up in Term 4?

- Literacy – continuing our focus on reading strategies and comprehension, beginning to focus on poetry in writing and further developing our spelling skills.
- Maths – continuing our focus on mental computation strategies and learning about time and fractions.
- Inquiry – our focus will be on folktales from around the world.
- Camp in Week 4 – the students are beginning to get very excited about this!
- School events: Gala Day, Craighburn's Got Talent and End of Year concert.

It would be great if we could have some parent comments on our blog:
