

Term 1 2012- Three Way Conferences

Dear Parents/ Caregivers,

Over weeks 7 and 8 we will be conducting Three Way Conferences for the Students in our class in accordance with the schools Assessment and Reporting policy. This is valuable time for students, parents and teachers to share experiences and our aims for the future.

Three Way Conferences are designed to:

- Further develop relationships
- Explore children's strengths and areas for development
- Look at samples of children's learning
- Discuss ways in which to help the child at home
- Clarify social and academic expectations of the child at school
- Set goals together for future learning
- Encourage the child to take responsibility for their learning
- Celebrate your child's achievements

Each conference will last for approx. **15minutes**.

The times we are available for conferences are listed below. Please nominate your 3 preferred times. I will send you a confirmation slip outlining the date and time of your child's conference prior to the day.
